

Wear Something Safer™

Vantage II 501 Series

An excellent value for NFPA-1999 certified (2013 ed.) EMS jackets and pants.

Ricochet's VANTAGE II Series EMS Jackets and Pants with two-layer construction provide complete protection in harsh working conditions, as well as exceptional comfort in everyday use.

The Vantage II 501 Series combines a flame-resistant, tough and durable 6 oz. NOMEX® IIIA shell with the unmatched liquid and blood-borne pathogen barrier of a fully-sealed CROSSTECH® EMS fabric hung liner.

To achieve the proper fit, Ricochet provides an extensive array of sizing suits – No other company emphasizes the importance of a

proper design and fit as much as Ricochet. Ricochet provides outstanding features and offers special options for customizing EMS gear to your needs. This NOMEX® series is offered in Navy Blue, Khaki, Royal Blue, and Yellow.

Options for the Vantage II series include attached hood, custom pockets and positioning, removable name badges, Arashield® reinforcement, and reflective lettering. Warmth liners in flame-resistant and non flame-resistant fabrics are also available. Please contact a Ricochet representative for complete option information.
