

Vantage II 500 Series

An excellent value for NFPA-1999 certified (2018 ed.) EMS jackets and pants.

Ricochet's Vantage II 500 Series EMS Jackets and Pants with two-layer construction provide complete protection in harsh working conditions, as well as exceptional comfort in everyday use.

The Vantage II combines a flame-resistant, tough and durable 6 oz. NOMEX® IIIA or Springfield DH with Hydropel finish outer shell with the unmatched liquid and blood-borne pathogen barrier of a fully-sealed CROSSTECH® EMS fabric hung liner.

To achieve the proper fit, Ricochet provides an extensive array of sizing sets – No other company emphasizes the importance of a proper design and fit as much as Ricochet.

Options for the Vantage II series include attached hood, custom pockets and positioning, removable name badges, Ara-shield® reinforcements, reflective lettering, and Polartec® warmth liners.

Please contact a Ricochet representative for complete option information.

Proudly made in the USA 

Vantage II EMS Jacket & Pants

- Rugged, flame resistant 6.0 oz/yd² NOMEX® or Springfield DH fabric outer shell; offered in a variety of color choices
- Fully sealed 3.5 oz/yd² CROSSTECH® EMS fabric hung liner: vapor-permeable, liquid and blood-borne pathogen protection
- NFPA-1999 (2018 ed.) certified
- 2" 3M Scotchlite™ fire coat grade reflective sewn-on fabric triple trim encircles jacket cuffs and jacket body around chest & back; pant legs are trimmed above the ankles

JACKET FEATURES

- Zipper closure covered by two-full length flaps with hook-&-loop closures
- Two semi-bellows front hip pockets with top flaps
- Adjustable sleeve cuffs with hook-&-loop tabs
- Elastic waist draw cord
- External D-ring hang loop

PANT FEATURES

- Fully-gusseted zipper closure
- Adjustable waist tabs and suspender buttons
- Self material knee reinforcement
- Fully-gusseted zipper expander at the base of pant legs to ease fit over boots
